Dear Mr. Lesar:

This is in response to your Freedom of Information/ Privacy Acts (FOIPA) request, dated December 10, 1986.

Please be advised that a search of the index to the central records system of the Birmingham Office of the FBI revealed no record identifiable with He Slew the Dreamer and They Slew the Dreamer.

In response to your request for records pertaining to William Bradford Huie, a search of the indices to the central records system and a search of the electronic surveillance indices revealed six cross-references which mention Mr. Huie's name in files on another individual, organization, event, activity or the like. Processing of these documents has begun, and that data to which you are entitled will be forwarded to you in the near future.

Your patience and cooperation will be appreciated.

Very truly yours,

CECIL E. MOSES
Special Agent in Charge
